FEDERAL AVIATION ADMINISTRATION

CERTIFICATE OF WAIVER OR AUTHORIZATION

ISSUED TO

FREDERIC NORTH

ADDRESS

649 Palms Blvd.
Venice, CA 90291

This certificate is issued for the operations specifically described hereinafter. No person shall conduct any operation pursuant to the authority of this certificate except in accordance with the standard and special provisions contained in this certificate, and such other requirements of the Federal Aviation Regulations not specifically waived by this certificate.

OPERATIONS AUTHORIZED

Motion Picture and Television Filming.
Within the Continental United States, Alaska, Hawaii and Puerto Rico.

LIST OF WAIVED REGULATIONS BY SECTION AND TITLE

14 CFR Part 91.119(b)(c), 91.303(e), 91.515(a)(1)

STANDARD PROVISIONS

1. A copy of the application made for this certificate shall be attached to and become a part hereof.
2. This certificate shall be presented for inspection upon the request of any authorized representative of the Administrator of the Federal Aviation Administration, or of any State or municipal official charged with the duty of enforcing local laws or regulations.
3. The holder of this certificate shall be responsible for the strict observance of the terms and provisions contained herein.
4. This certificate is nontransferable.

NOTE—This certificate constitutes a waiver of those Federal rules or regulations specifically referred to above. It does not constitute a waiver of any State law or local ordinance.

SPECIAL PROVISIONS

Special Provisions Nos. 1 to 17, inclusive, are set forth on the attached pages.

This certificate is effective from 06-03-18 2400 PDT to 06-30-2020, 2359 PDT, inclusive, and is subject to cancellation at any time upon notice by the Administrator or his authorized representative.

SPECIAL PROVISIONS

MOTION PICTURE AND TELEVISION PRODUCTION

1. The controls, procedures, and conditions set forth in the Frederic North Motion Picture and Television Operations Manual are the primary assurance that persons on the surface will not be jeopardized. This is the basis for issuance of the waiver. Therefore, failure to comply with the provisions of this manual will be considered a violation of the terms of the waiver and may constitute justification for cancellation to the waiver.
2. Aircraft and pilots used under the authorization of this waiver will be only those specified Frederic North Motion Picture and Television Operations Manual and associated Plan of Activities: Each pilot's name and certificate number shall appear on each plan of activity.
3. All civil aircraft and pilot participating in the activity shall be available for FAA inspections before the scheduled event.
4. The FAA has the authority to cancel or delay some or all participants or events if, in its opinion, the safety of persons or property on the ground or in the air is in jeopardy, or there is a contravention of the terms of the waiver.
5. Authority to deviate from the regulation is limited to the specific regulations shown on the certificate of waiver or authorization.
6. All flight operations conducted under the authorization of this waiver will be performed in accordance with section 14 CFR 91.155, Basic VFR weather minimums.
7. Aircraft my not be flown along a path that would require excessive maneuvering to avoid persons on the surface in the event of an emergency.
8. The holder of this manual shall ensure that each pilot in command (PIC) conducting operations authorized under this certificate understands the conditions of issuance, and that it constitutes a waiver of 14 CFR part 91.119(b)(c), 14 CFR 91.303(e), and 14 CFR 91.5115(a)(1). It does not constitute a waiver of any state law or local ordinance.
9. 14 CFR 91.119(b)(c) is waived only with respect to persons, vehicles, and structures directly involved in the performance of the actual filming. Flight operations closer than 500 feet or over flight of a group of non-essential persons at less than 1,000 feet AGL are prohibited. For helicopters, flight operations closer than 500 feet from non-essential persons are prohibited: however, this provision may be reduced to no less than 200 feet if an equivalent level of safety can be achieved and the Administrator has approved the operation.
10. Rotorcraft takeoff and landing areas must be protected in a manner that will prevent unauthorized persons from entering the helipad area. The helipads must be located so the aircraft will not pass over non-essential personnel during the takeoff or landing
11. In the event of an accident considered to be a result of an event deficiency or procedure, flight operations will be cancelled until the deficiency has been corrected and the

correction accepted by the FAA Flight Standards District Office (FSDO) responsible for the geographic area in which the activity occurred.

12. The holder of the waiver shall ensure that the persons involved in the flight operations are thoroughly briefed on the special procedures, communications, emergency procedures and on the provisions of the waiver before beginning the activities. No person may participate in any event unless that person has received a briefing on the provisions of the waiver.
13. The holder of Frederic North Motion Picture and Television Operations Manual shall maintain primary responsibility for the safeguarding persons and property on the surface.
14. The certificate holder must submit three days prior to schedule filming; a written plan of activities to the FSDO having jurisdiction over the area of proposed filming. The three (3) day notification may be waived with concurrence of the FSDO. Justification of the exception to the three day requirement is required.
15. Aircraft operated under the authorization of this waiver will have on board an airworthiness certificate appropriate for the operation being conducted.
16. All flight operations conducted under authorization of this waiver will be performed in accordance with 14 CFR 91.155, basic VFR weather minimums, except as provided in the Waiver Holder's Motion Picture and Television Operation Manual, Special Provisions Aerobatics.
17. Notifications of exact times of operations must be made to the jurisdictional Flight Standards District Office in order to allow that office to conduct surveillance activities as appropriate. The notification may be made by phone and must include the estimated time of arrival on location and planned duration of activities.
